

Dear

Everyone, everywhere, has been touched by cancer in some way. For the past nine years, Mary's Walk has celebrated the life of Mary Kerry Libby and raised over \$900,000 for cancer research and treatment via the Maine Cancer Foundation, and the research funded by this effort has advanced the level of cancer treatment everywhere.

An avid walker along Saco's Main Street, Mary Kerry Libby was well known for her friendly smile, gracious charm and kindness. A much-loved mother of four, wife, sister, daughter and friend, Mary lost her courageous battle with cancer on March 7, 1997 at 44 years of age. The first Mary's Walk was held on the Sunday before St. Patrick's Day in March 1999. What began as a way to recognize the gift of life that Mary shared with friends, family and community has now evolved into a community event where people come to honor and remember friends and family that they have lost and to encourage and support those dealing with cancer

In 2008, the 10th year of Mary's Walk, I would like to ask your help in making a significant leap in our participation and fundraising effort. Through our *Power of 10* initiative, I am asking ten people to consider assisting in our effort. A simple registration or contribution of \$15, or any amount, from you, combined with the collective power of all the proceeds raised, will help us in this battle against cancer.

Here are some ways you can participate:

- If you wish to walk in Saco on March 16, 2008, simply register at [www.maryswalk.org](http://www.maryswalk.org)
- If you wish to participate as part of my team, call me at:
- If you will not be in Saco, but want to contribute, simply complete and return the bottom portion of this letter with your contribution.

If you live away from Saco and wish to participate through a contribution, I encourage you to join us in spirit on March 16, 2008, by going for a walk in your local community.

Through the power of you, we have the potential to extend our effort throughout Maine, New England and the U.S. in a meaningful way. Please consider participation today!

Thank you,
